

## Beth Erwin, MBA, CPCS, CPMSM

Beth Erwin has been the Director, Medical Staff Services & Quality Project Management at SUNY Upstate University Hospital for the past 12 years. Beth specializes in bylaws and policy writing and interpretation, contracting, and as well as disciplinary and improvement processes related to the medical staff. Beth is also responsible for quality projects related to the Upstate Medical Staff. Beth's team credentials and privileges Upstate's ~ 1650 medical staff members, as well as performing delegated credentialing for 15+ payers. Beth received her education at Columbia College with a Bachelor's degree in Business Administration and Computer Information Systems in 2003, followed by SUNY Empire State College with an advanced certification in Project Management in 2017, and MBA in 2018. Beth is inspired by her husband Pat and their three adult children. In her free time, Beth likes to cook, read books, crochet, play the steel hand pan drum, and go boating on Lake Ontario with her family and friends.
