ANNUAL MEETING
APRIL 27, 2018**

TOPIC	DISCUSSION	ACTION
Call to Order:	The Annual Meeting of the New York State Association of Medical Staff Services was called to order at 8:35 AM by Mark Hirschhorn, President.	
Previous Minutes:	Those members present reviewed the minutes of the previous annual meeting held on 4/28/17.	These minutes were approved.
President Report:	<p>Mark reported on the following:</p> <ol style="list-style-type: none"> 1. <u>Evaluations</u> – Everyone was asked to complete the conference evaluations as this helps the Board plan each year’s conference. While every request cannot be granted/implemented, every evaluation is reviewed and comments noted. The Board starts reviewing the evaluations at the completion of this conference and meets tomorrow to discuss and start planning next year’s conference. 2. <u>Policy/Procedure Manual</u> – The NYSAMSS policies and procedures were thoroughly reviewed and revised by the Board. A copy of the current Policy/Procedure Manual is on the NYSAMSS web site. As the Credentialing profession continues to change, the board is always looking to make sure the Manual as well as the Bylaws are up-to-date and current. 3. <u>Strategic Plan</u> – As with the Bylaws and Policy/Procedure Manual, the Board is always looking to revise the Association’s Strategic Plan to stay current and focus on our plan of Communication, Membership and Education 4. <u>Membership & Recruitment</u> – Maintain and growing membership are two of the biggest challenges that NYSAMSS faces. As of today, NYSAMSS’ membership is approximately 360. In 2017, 52 new members joined NYSAMSS and so far in 2018, 20 new members have joined. Membership is heavily dominated by credentialing professionals working in the hospital setting. There are potential new members in areas of health plans, ACO’s, IPA’s, ASC’s, UC’s, physician offices and groups. If anyone has contact with a potential member, please spread the word about NYSAMSS and/or give the contact info to the regional Rep or any Board Member. 	This report was accepted.

<p>President’s Report (con’t.):</p> <p>Reports:</p>	<ol style="list-style-type: none"> 5. <u>NAMSS Leadership Conference</u> – The title this year was “The Journey to Leadership”. Mark and Marcia attended the Conference and came away with several useful ideas, resources and topics for discussion. They were gratified to realize that a lot of the presenter’s ideas/suggestions were items that NYSAMSS is currently doing or in the process of implementing. 6. <u>2017 NAMSS Annual Conference in Colorado Springs:</u> This was a great location with great speakers & topics. There was something for everyone from Hospital to Health Plan to providers. NYSAMSS was able to secure several of the speakers who presented at NAMSS for our conference. 7. <u>Code of Conduct:</u> NAMSS has a code of conduct attestation that anyone who is a member attests and reattests to with their membership and subsequent renewals. NAMSS expects it’s state associations and members to adhere to the Code of Conduct which is on the NAMSS web site. 8. <u>New Programs:</u> NYSAMSS Board is proud to announce the implementation of <u>free</u> educational webinars for its members. These webinars will also give members an opportunity to earn NAMSS CE’s. Under the guidance of our Educational Chair, Terry LaValle, the first webinar, which will be held toward the middle of May, is presented by Skill Survey and titled “5 Tips for More Informative Peer Reference Feedback”. The Board is also in the process of planning a webinar presented by Professionals Credentials Exchange on the topic of Block Chain Technology. If anyone has a topic or future webinars or would like to present a webinar, please contact either Terry or your Regional Rep. 9. <u>Mentor/Mentee Program:</u> This program is being brought back as it can be a vital tool for not only new members but members who are responsible for new areas that they have not previously been exposed to. More information will follow on how to become involved in the program as a mentor, mentee, or possibly both. 10. <u>Social Media Coordinator:</u> The Board is happy to welcome Karyn-Marie Lipard as NYSAMSS Social Media Coordinator. This position’s main function is to spread the word about NYSAMSS through the use of Social Media-publicizing events, articles, members and more. 11. <u>Becoming Involved:</u> Everyone was asked to consider becoming involved in NYSAMSS-even doing something as little as volunteering at the registration table, room monitor, helping at Region meetings. NYSAMSS always has special projects, ad-hoc committees. If anyone has any ideas, please contact a Board member. 	<p>These reports were</p>

EDUCATION COMMITTEE ANNUAL REPORT

Submitted by: Terry LaValle, CPMSM, Education Chair

The establishment of a web-based open forum for those members preparing for the NAMSS certification exams has been discussed at the Board of Directors meetings over the past several months. I am very excited to begin working with NYSAMSS' social media coordinator, Karyn Marie Lipari, to move forward with this forum. More information will follow.

The NYSAMSS Board of Directors is planning to continue to provide webinars over the next year for the ongoing education and development of NYSAMSS members. Our next webinar, "Work Smarter, Not Harder" is scheduled for June 5, 2019 from 1:00 to 2:00 p.m. and will be presented by Inna Voskresensky, MHA, CPCS, CPMSM, President of the Massachusetts Association of Medical Staff Services. Objectives include assessing the effectiveness of time management; examining inefficiencies; and increasing productivity. I will be applying for continuing education credits from NAMSS. More information will follow shortly after the conference. I also welcome your suggestions for future webinar topics.

It is an honor and privilege to serve on the NYSAMSS Board of Directors. I am here to assist you and welcome your input and suggestions.

ANNUAL REPORT – SOCIAL MEDIA

Submitted by Karyn-Marie Lipari, Social Media Coordinator

I was sworn in as the Social Media Coordinator at the May 2018 meeting. I have established both a Facebook and LinkedIn page for NYAMSS. If you don't already follow us, I highly encourage you to do so. We are working hard to reach the members of NYSAMSS with regular information and updates via social media platforms.

At this time, I have many things in progress and I am excited to keep the momentum going:

1. Working with the Region Representatives to provide information about what is going on in their regions (ie. educational opportunities, study groups, region meetings).
2. Facebook & LinkedIn Development with regular posts on both sites.
 1. Monthly Member Spotlight – starting with Board members
 2. Quarterly Newsletters - Possibly 1 to 2 pages following the Board meetings
 3. Work with Terry LaValle, Education Chair, on web-based open form for members preparing for the NAMSS certification exams.
 4. Creation of Twitter & Instagram accounts

It has been an exciting year for me in this role and I am looking forward to another year. Please don't hesitate to reach out to me as I welcome all input and suggestions.

NEW YORK STATE ASSOCIATION FOR MEDICAL STAFF SERVICES CAPITAL REGION ANNUAL REPORT 2018

This capital region annual report gives me the opportunity to report to you – our members who make our work possible – on our 2018 achievements. It is my hope that this report highlights all the work that has gone into continued education and networking. Last year’s NYSAMSS conference was well attended and successful. I was delighted to see the increased interest in Provider Enrollment and our pre-conference workshop had over 57 in attendance. We are seeing a shift in medical staff services joining provider enrollment activities to increase efficiencies and ramp up provider enrollment timelines. Many free webinars were made available to NYSAMSS, such as those through NYSAMSS, The American Hospital Association and others.

Capital Region – Still Growing Strong! – 7 new members in the last year! Please help me welcome the following new capital region members: *Daishon Brockington / Albany Medical Center, Kimberly Corriveau / Glens Falls Hospital, Aimee Dodge / Albany Medical Center, Laura Elliot / Glens Falls Hospital, Charlotte Hoag / Bassett Medical Center, Maureen McKinney / Hudson Headwaters Health Network, and Jackie Williams / O’Connor Hospital!* We welcome the opportunity to grow even more. If you have any colleagues that you feel would benefit from a NYSAMSS membership, please pass along my contact information and I would be more than happy to talk to them and appreciate your support. We are also looking to grow our membership with MSP’s that do provider enrollment or managed care and welcome all referrals!

I attended the NAMSS 42nd Educational Conference that was held in beautiful Long Beach California in October. Many great tracks to select from and enjoyed all of them. I am happy to share any information that I received so if you are looking for something, please do not hesitate to contact me.

I would like to hear from you! If you have any suggestions for meeting topics either for our region or for next year’s NYSAMSS conference, please contact me. We are here to bring you educational opportunities that are worthwhile and meaningful, thus making your input very important. Thank you for continued support with NYSAMSS and with me as your regional representative.

Respectfully Submitted,

NEW YORK STATE ASSOCIATION FOR MEDICAL STAFF SERVICES
CENTRAL REGION REPORT
2019

We have not been able to get together as of yet this year, unfortunately. I will be working on putting something together for the fall of 2019 and am hoping to get more of the region involved this year.

The NYSAMSS Central Region has been busy this year, yet somehow managed to keep connected via telephone, email and the information sharing network.

Even by phone, our members networked, shared information, and discussed several recent concerns including health professionals on the medical staff, what's reportable to NPDB, the beginning of credentialing and privileging Social Workers, as well as the recent surge in locum credentialing.

We keep in touch regularly to discuss recent surveys by the Joint Commission and DNV, privilege forms, criteria, orientation, and suspensions, among other topics. Members share forms, policies, and ideas that will make our jobs easier.

The NYSAMSS Central Region members had a good year overall, even while contending with the typical staffing, budget, and credentialing challenges every credentialing professional faces.

Happy spring to all of you, and best wishes for continued progress in 2020!

Best,

Central Region Representative

NEW YORK STATE ASSOCIATION FOR MEDICAL STAFF SERVICES HUDSON VALLEY REGION ANNUAL 2018 REPORT

Medical Staff Services Professionals in the Hudson Valley are growing and doing very well. Our MSPs consists of over 50 Hudson Valley members. This year we welcomed the following new members to our region;

Jennifer Caporale, White Plains Hospital

Kim Harper, New York Presbyterian Hospital

Xiomara Vazquez, Westchester Medical Center

As we all continue to work hard and support the credentialing process for many hospitals, Medical Centers and Ambulatory Care Providers, our daily focal points across our roles, remain the same. Credentialing is one procedure that allows all of us to be a part of and earns us the trust from patients whereby they know they are positively choosing our healthcare organizations because of our efficiency in keeping them safe.

As you know, in 2017 many hospitals and practices were involved in capital improvements and mergers that included construction projects to better manage their additions, growth, acquisitions etc. In 2018, the trend seemed to dip just a little. The slowdown of the mergers started in the 3rd quarter of 2018. As value-based care take over hospital mergers and acquisition, this leaves many of us in healthcare wondering if the deals behind the board room walls *really* add any value to their organization or to the industry in itself. This topic is definitely to be continued.....

The NYSAMSS conference in 2018 was informative and well attended on 4/26 and 4/27 at the Albany Marriott. Our speakers included Laurel McCourt, MD (Joint Commission), Sally Pelletier (Greeley), Michael Callahan, Esq, Paula Breen (DOH) and a Q&A wrap up. Unfortunately, due to our work flow demands and scheduling conflicts, the Hudson Valley Region was not able to hold a meeting in 2018. However, hopefully, some of our members took advantage of our neighboring region (NYC) and attended their successful region meeting. ***Shout out to Alfred Pagan!*** Thank you Alfred and team for inviting all NYSAMSS members. We always appreciate other MSP's knowledge and accessibility to information sharing. So let's continue to share and learn from each other. We will all stay committed to the goals of doing what is always the right thing.

I hope to see all of you in Albany at our NYSAMSS May conference. So if you have not registered yet, please do so. If anyone has any questions or ideas for our next region meeting, please feel free to share your thoughts with me. Thanking all of you for your continued support as your region representative. See you in Albany !

Warm regards,

Michelle Marchese, CPCS

NYSAMSS LONG ISLAND REGION REPORT

Submitted by Dianna Ruppel

The Long Island Region has had the opportunity to be provided with education via webinars and educational material with topics such as changes in health care, the NPDB, TJC, managed care, supervision of advanced practice providers, studying for NAMSS certification, health and wellness, and other articles pertaining to credentialing and healthcare. Our region was invited to attend the NYC region meeting this winter to hear speaker, Bruce Sackman, author of “Behind the Murder Curtain”. It was a great opportunity for all who were able to attend. The focus for 2019-2020 will be on continued education. And let’s give ourselves a round of applause for a job well done for the work we do each and every day in our important evolving roles in health care today!

2019 Annual Report

New York Association of Medical Staff Services, New York City Region

On February 28th, 2019 the New York City Regional Meeting was held at Hospital for Special Surgery. Colleagues that attended came from Saint Barnabas Health System, Metropolitan Hospital, Rockefeller Hospital, Memorial Sloan-Kettering, Northwell, Catholic Health System, New York-Presbyterian, Acacia Network, Wyckoff Heights Medical Center, and Sovereign Phoenix IPA. The meeting was also available via live stream and 37 individuals were able to stream and watch the meeting.

The invited guest speaker was Bruce Sackman who also is the author of the book, Behind the Murder Curtain. His presentation explored the world of medical professionals who murder their Patients and included case studies, the motives behind these murders, and the red flags that identify these people in a healthcare setting. In the end I received a lot of positive feedback on the presentation by Mr. Bruce Sackman. NYSAMSS members who joined the meeting also appreciated receiving 2 NAMSS approved credits.

Future Regional Meetings: The goal will be to plan another Regional Meeting for some time later this year which will be centered around Communication, Team Building, Leadership, and Managing Change.

In 2019 we added 9 new members! Welcome to:

- Maria Corazon Barro, Memorial Sloan Kettering Cancer Center

2018 Annual Report: New York Association of Medical Staff Services, Western New York Region

The past year was another busy year for the New York Association of Medical Staff Services! The annual conference was held in April 2018 with strong turnout and interesting speakers. I found Sally Pelletier's session on aligning credentialing, provider enrollment and delegation to be the most valuable. In my organization, as in many others, there is a growing awareness of the connections between the medical staff privileging process, the payer enrollment process and the bottom line. It was valuable to gain insights into the payer enrollment and delegated credentialing processes. The association was also able to offer free webinars to members, which offer fantastic learning opportunities for those whose organizations may have limited travel budgets.

I am looking forward to hosting my first networking event as region rep on Thursday, April 25, 2019. Lunch will be held at the Rochester Regional Health Riedman campus. I look forward to holding future networking events in other areas of our region.

In 2018 we added 8 new members! Welcome to:

Cathy Cluett, Rochester Regional Health, Unity Hospital

Elizabeth Hummel, URMCM Thompson Health

Chris LeStorti, GRIPA

Judy Pata, Rochester Regional Health

Alisha Shackelford, Rochester Regional Health, Rochester General Hospital

Kaelyn Smallwood, Rochester Regional Health, Rochester General Hospital

Rebecca Smith, Rochester Regional Health, United Memorial Medical Center

Elizabeth Wagner, Orleans Community Health

I encourage all members to invite their colleagues who are not already NYSAMSS members to join our organization. Ours is a complex and evolving industry and there is truly no replacement for the camaraderie amongst members of our association. NYSAMSS offers a unique opportunity to connect with others that face the same challenges and gives members the opportunity to gain insights that can assist their companies and in turn their careers!

I am honored to serve as your region representative and I encourage you to please contact me if there is anything I can do to better support you as NYSAMSS members or if you have ideas for region activities.

Thank you all for the work you do each day as the gate keepers for patient safety!
