

**Sharon Beckwith**  
**President – Peer Review and Clinical Quality Consulting**

Sharon Beckwith is the President of Peer Review and Clinical Quality Consulting at Hardenbergh Group. She has more than 25 years of leadership experience and has cultivated a unique combination of experience in executive management as well as extensive expertise in physician peer review and medical staff management, working daily with hospital clients to understand and meet their medical staff, quality improvement, risk management and peer review challenges. Ms. Beckwith is a regular speaker at state medical staff service associations and NAMSS. She is a graduate of the University of California, Santa Barbara.

**Brock Bordelon, MD, FACS**  
**Medical Director, Surgical Services**

Dr. Bordelon is the Surgery Medical Director for Hardenbergh Group. His clinical practice as a surgeon and multiple roles in senior hospital leadership make him uniquely qualified to assist clients to develop solutions to their complex problems. He has expertise in quality and performance improvement, peer review, ongoing and focused professional practice evaluation, management of deficient practitioner performance, criteria-based privileging, low volume practitioners, and management of physician behavior concerns.

**Michael Callahan, JD**  
**Senior Consultant**

Michael Callahan brings an unparalleled level of healthcare consulting experience. Formerly a healthcare attorney for over 40 years, he provides consultative services, educational programs and thought leadership in his role as Senior Consultant.

He is recognized as a national expert involving all aspects of the federal Patient Safety and Quality Improvement Act of 2005.

Michael is past member of the NAMSS Board of Directors and in 2019 received the distinguished NAMSS Icon award.
